

Spirit Lakes Improvement Association, Inc.

N9478 State Highway 102

Rib Lake, WI 54470

Hello Members,

February 23, 2013

The second document of these three is a page showing some parts of the WDNR Conservation Congress notice of their annual spring hearings.

They take place every year in every county on the same date.

This year the hearings are on April 8, 2013 at 7:00 PM

The resolution we proposed last year to change the size and limit for Walleye on Spirit (Little Spirit) and North Spirit (Big Spirit) made it onto the ballot. Please help us get this through by attending the meeting in your county, or if you can, join with other members and help cover other counties. It will be helpful if you let us know which county you will attend. Some of us will spread ourselves around to counties not covered.

The third document is a short script you can use as statement, or use as a guideline.

If you can't make the hearings, written comments can be posted at the following address or email address.

Kate Strom Kiorns. Bureau of Fisheries Management, P.O. Box 7921, Madison, WI 53707 kathryn.stromkiorns@wisconsin.gov

These written comments must be received prior to the date of the hearing.

More information on the hearings can be found at the WDNR Conservation Congress website <http://dnr.wi.gov>. Under Popular Links click about Conservation Congress, Then click [learn]. This will get you to a page with yearly tabs. Under 2013 checkout the Questionnaire and the Locations tabs.

Please help us get the support we need to get this passed.

If you have any questions contact Jim at our website or myself at tjbirch@charter.net or by phone 715-573-8014.

Thanks for your help

Joe Burger (President)
