

Taylor County Tavern League

Golf tournament

Hello everyone, my name is Tom Schuh from Hannah's Hen House on Little Spirit and a proud member of the [TCTL] Taylor County Tavern League. We are having a 9 hole golf tournament on Little Spirit Lake February 27th 2016.

This fundraiser is to help with the many programs we support such as; Scholarships to area schools, Light of Light Christmas dinner and many numerous projects we support.

We are asking for your help with this project. We are asking for prizes , support advertising and of course you.

With the golfing tournament we are also having a chili cook off. We would like to sell the chili, with the money going towards the scholarship program for area schools.

We are looking for judges and a grand prize donation for the best Chili recipe. Also donations and prizes for each hole on the golf course.

TCTL members are asking for your help and please consider this a great cause.

For more information feel free to contact your local TCTL member or myself at 715 427 1332.

Again thank you for your help and prizes donated.

Tom Schuh and the Taylor County Tavern League.
